Two-Year Post Graduate Programme in Management (PGP)

PGP (2022-24 Batch) Admission Procedure for International Applicants

1. Definition of International Applicants

Foreign passport holders only will be considered as 'International Applicants' for admission to the Post Graduate Programme in Management of IIM Indore in 2022-24 batch.

2. Eligibility Criteria

a. The candidate must have a valid Graduate Management Aptitude Test (GMAT) score with minimum overall score of 700, as on December 31, 2021. The scores of the GMAT taken during January 1, 2020 to December 31, 2021 will only be considered for processing.

b.

For the candidates who graduated in the AY 2019 or before:

Completed Bachelor's degree or completed professional degree (CA/CS/ICWA/Fellow of the Institute of Actuaries of India (FIAI)) with at least 50% marks or equivalent CGPA.

Bachelor's degree awarded by any of the University or educational institution as incorporated by an Act of the central/ state legislature in India or by an Act of Parliament or declared to be deemed as an University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Education, Government of India. **The equivalence of the foreign degree needs to be certified by the Association of Indian Universities.** The bachelor's degree or equivalent qualification obtained by the candidate must entail a minimum of three years of education after completing higher secondary schooling (10+2) or equivalent.

The percentage of marks obtained by the candidate in the bachelor's degree would be based on the practice followed by the institution/university from where the candidate has been awarded the degree. In case of the candidate being awarded grades/CGPA instead of marks, the equivalence would be based on the equivalence certified by the institution/university from where they have been awarded the bachelor's degree. In case the institution/university does not have any scheme for converting the CGPA into equivalent marks, the equivalence would be established by dividing the obtained CGPA by the maximum possible CGPA and multiplying the result by 100.

For the candidates graduated in the AY year 2020 or after:

Completed Bachelor's degree or Completed professional degree (CA/CS/ICWA/Fellow of the Institute of Actuaries of India (FIAI)) with "promotion/pass" instead of "award of marks".

Note: Considering that there could be different evaluation patterns adopted by different universities across the country (during academic year 2021 and 2022) due to covid-19 pandemic, hence Candidates with "promotion/pass" instead of "award of marks" certificates are eligible to apply (eligibility criteria of 50% marks or equivalent CGPA is relaxed). This eligibility relaxation is also applicable to those candidates who are final year students with "award" of marks.

Candidates appearing for the final year of Bachelor's degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. However, it may be noted that such candidates, if selected, will be allowed to join the programme provisionally only if they submit a course completion certificate issued by the Principal/Head of the Department/Registrar/Director of the institution/University (issued on or before June 30, 2022) stating that they have completed all the exam related requirements (the result may, however, be awaited) for obtaining the bachelor's degree/equivalent qualification on the date of issue of the certificate.

The deadline for submission of the mark-sheet and the certificate is December 31, 2022. Non-fulfilment of this condition will automatically result in the cancellation of the provisional admission. Any candidate who submits university Mark sheets which do not clearly indicate that he/she has passed the bachelor's Degree course or equivalent, and also submits Provisional Certificate from an affiliated college/institute would, in addition, be required to produce an authorization certificate from the university stating that such an affiliated college/institute is authorized/empowered to issue such a certificate on behalf of the university.

IIM Indore may verify eligibility at various stages of the selection process. Applicants should note that the mere fulfilment of the minimum eligibility criteria will not ensure consideration for shortlisting by IIM Indore. Candidates must declare and maintain a valid and unique email account and a phone number throughout the selection process.
