# MESSAGE FROM THE DEAN

New geopolitical forces, re-globalisation, economic volatility, digitisation, and changing customer needs are testing the nerves of those occupying corporate boardrooms. Market quakes, akin to earthquakes, are causing tremors and cracks in the marketplace. In this era of turbulence, companies face a unique challenge of constantly innovating to stay profitable and customer-focused. This is where S P Jain Global's postgraduate programs come in.

Whether you decide to enrol in our Global MBA or Master of Global Business programs, our objective is to equip you to become a 'value-added' business manager. Our pedagogy places emphasis on global intelligence, creativity, innovation, decision-making, effective communication, team orientation and leadership. In addition, a key focus is on how to harness the power of emerging technologies to enhance your ability to create value.

Our unique programs offer a multi-city learning model, helping you immerse in three vibrant cities – Dubai, Singapore and Sydney. You will be exposed to regional business practices, interact with senior practitioners and immerse in intense industry projects. Cutting-edge learning tools such as Student Board Rooms, Case Method of Learning, and Business Simulations are at the core of your everyday experience at S P Jain Global. World-class faculty impart learning by fusing contemporary academic frameworks with real-world perspectives for addressing industry challenges.

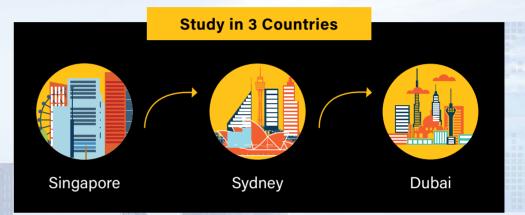

If you wish to make an impact as a change-maker in the dynamic world of business, you're looking at the right institution. S P Jain School of Global Management will empower you to realise your professional goals and set yourself apart from the rest.

I look forward to welcoming you soon at one of our campuses!

# DR BALAKRISHNA GRANDHI

Dean – Global MBA & Master of Global Business Professor of Marketing & Strategy MMS, MBA & PhD (USA) and FCIM (UK)

# EMBARK ON A GLOBAL CAREER WITH OUR POSTGRADUATE PROGRAMS

As global businesses evolve and business challenges become increasingly complex and pervasive, postgraduate education must act as the academic version of professional training – moving beyond simply acquiring knowledge to empowering you with the skills and confidence to drive decisions in a global context. Your postgraduate education is an investment in your own potential, transforming you from students and professionals to leaders and experts who bring with them holistic global perspectives to tackle challenges while maintaining business momentum.

We offer you a choice of two postgraduate courses:

#### **Global MBA**

12-month full-time MBA Study on-campus in Singapore, Sydney and Dubai For graduates with 3+ years of full-time work experience

#### Master of Global Business

16-month full-time Master's (including a 4-month internship) Study on-campus in Singapore, Sydney and Dubai For candidates with an undergraduate degree

# GLOBAL MBA

CRICOS Course (GMBA) Code: 077571F

Top management positions increasingly go to global citizens – people who have lived overseas and, therefore, understand many business cultures. Get this edge with our Global MBA program, where every student lives in Asia, Australia and the Middle East – each a regional capital and a great backdrop for business education. Designed exclusively for business professionals with 3+ years of work experience, the Global MBA is an internationally recognised program with a reputation that is built on superior standards of learning engagement, research, innovation, and graduate outcomes.

Decision-making in a global context is at the heart of the Global MBA program. While the program is rooted deeply in business fundamentals, a lot of emphasis is placed on practice and application. The classroom itself transforms into a corporate boardroom and from day one, students participate in Student Board Rooms and Simulations where business case studies are examined and a tried-and-tested approach to decision-making is developed.

We believe that understanding the global business environment is key to good decision-making and as a result, our students study in Singapore, Sydney and Dubai. While the classroom is dedicated to the study of various tools of business and the development of critical thinking and decision-making skills, out-of-classroom and global immersion activities in diverse, dynamic business hubs help students understand the global nature of business and the influence of culture, traditions and technological advancements on business decisions. Apart from the knowledge gained, students learn to be adaptable, multicultural and globally agile.

#### **Program Architecture**

To fulfil the requirements of the Global MBA program, students must complete 36 credits.

| SUBJECTS                                     | CREDITS |
|--|---------|
| Core Courses                                 | 23      |
| Specialisations                              | 7       |
| Applied Research Project / Industry Projects | 6       |
| TOTAL  | 36      |

#### **Program Overview**

For graduates with 3+ years of work experience

Graduate with an Australian degree

# HOW TO JOIN

#### ELIGIBILITY All applicants

All applicants (domestic and international) must have:

- An undergraduate degree from a recognised university or other approved tertiary institutions. Applicants who do not have their final year results can apply for the intake, but S P Jain Global can only make a conditional offer.
- Evidence of having worked after graduation on a full-time basis in a role which has been assessed by S P Jain Global as relevant to the course of study for a minimum period of 3 years.

#### ENGLISH LANGUAGE ENTRY REQUIREMENTS

- Applicants who have not completed their most recent education qualifications in English are required to take any of the following recognised formal English language tests and obtain currently valid minimum scores as below:
  - IELTS score of 6.5
- TOEFL iBT score of 70
- PTE score of 60

Only test scores obtained in the last 2 years will be considered valid.

International applicants (including those who have completed their most recent education qualifications in English) who are undertaking study at our Sydney campus may need to meet the English language test requirements detailed by the Australian government to obtain their student visas. For more information, please visit: <a href="https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility">https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility</a>

#### APPLICATION

The application can be submitted online at no cost.

### ENTRANCE TEST

Applicants must appear for GMAT, GRE, CAT (Common Admission Test - offered in India) or SPJAT (S P Jain Aptitude Test) and achieve an acceptable score as listed in the Postgraduate Admission and Selection Policy. GMAT 650 or more (Appeared in the last 5 years)

GRE 320 or more (Appeared in the last 5 years) CAT 80% or more (Appeared in the last 2 years) SPJAT 50% or more (Appeared in the last 2 years)

Candidates may apply even if they have not yet taken the aptitude test, or if their scores are pending. However, candidates will not be shortlisted for an evaluation interview until they submit their final test scores. S P Jain Global accepts the best score from the stated tests.

Candidates who do not meet the aptitude test score requirements may be considered for interview subject to the decision of the Director of Admission/Registrar.

#### EVALUATION

- The School establishes a shortlist of potential applicants based on the following:
  - Past academic performance and other achievements
  - Past work experience
  - English language proficiency to ensure successful participation
  - Outcomes and scores of aptitude tests

(All shortlisted applicants will be notified of their application status by the School in writing.)

As part of the final stage of applicant evaluation, all shortlisted candidates will be required to undertake:

An Essay and Case Analysis Discussion Paper

- S P Jain "Business Creativity Test"
- A personal interview with the School's academic staff at one of the School's campuses or online. The interview is designed to assess the applicant's communication skills, analytical skills, aptitude, and subject knowledge.

(Candidates are required to pay a non-refundable evaluation fee to take part in the evaluation.) process.

#### RESULTS

Applicants are emailed an admission decision within 14 days after the evaluation interviews.

#### SCHOLARSHIPS We offer scholarship

We offer scholarships to meritorious students. Students receiving scholarships must maintain a required GPA and abide by the School's Code of Conduct throughout the duration of study.

# **MASTER OF GLOBAL BUSINESS**

CRICOS Course (MGB) Code: 077572E

Immerse in new cultures, step out of your comfort zone, develop cross-cultural understanding, gain real-world experience and engage some of the world's top companies with the Master of Global Business (MGB) program. The program trains students to appreciate and adapt to different business environments, cultures and markets, preparing them for a lifetime of decision-making and leadership.

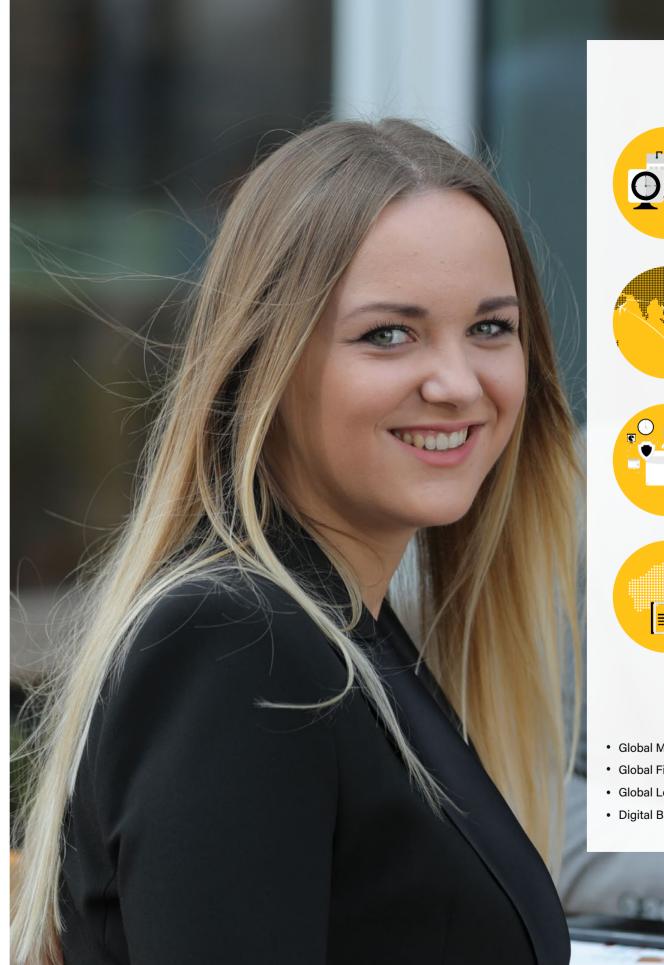

Students of the program study in Singapore, Sydney and Dubai, and this multicity learning model is the most striking feature of the MGB program. Exposure to different countries, cultures and business centres makes this program, and in turn, our students truly global. In addition to the social, political, and economic benefits of studying in three countries, locating the program in major regional hubs encourages students to broaden their horizons and think innovatively.

The program structure includes 12 months of academic study followed by a mandatory 4-month internship. The internship is very important as it offers students, with very little or no experience, the opportunity to address their skills gap, supplement academic accomplishments with actual real-life experience, make meaningful contributions to companies, build strong professional contacts and explore full-time career opportunities.

#### **Program Architecture**

To fulfil the requirements of the MGB program, students must complete 36 credits.

| SUBJECTS  | CREDITS |  |

# **HOW TO JOIN**

#### ELIGIBILITY

An undergraduate degree from a recognised university or other approved tertiary institutions. Applicants who do not have their final year results can apply for the intake, but S P Jain Global can only make a conditional offer.

#### ENGLISH LANGUAGE ENTRY REQUIREMENTS

- Applicants who have not completed their most recent education qualifications in English are required to take any of the following recognised formal English language tests and obtain currently valid minimum scores as below:
  - IELTS score of 6.5
- TOEFL iBT score of 70
- PTE score of 60

Only test scores obtained in the last 2 years will be considered valid.

International applicants (including those who have completed their most recent education qualifications in English) who are undertaking study at our Sydney campus may need to meet the English language test requirements detailed by the Australian government to obtain their student visas. For more information, please visit: <u>https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility.</u>

## APPLICATION

The application can be submitted online at no cost.

# 2

### ENTRANCE TEST

Applicants must appear for GMAT, GRE, CAT (Common Admission Test - offered in India) or SPJAT (S P Jain Aptitude Test) and achieve an acceptable score as listed in the Postgraduate Admission and Selection Policy.

GMAT 650 or more (Appeared in the last 5 years) GRE 320 or more (Appeared in the last 5 years) CAT 80% or more (Appeared in the last 2 years) SPJAT 50% or more (Appeared in the last 2 years)

Candidates may apply even if they have not yet taken the aptitude test, or if their scores are pending. However, candidates will not be shortlisted for an evaluation interview until they submit their final test scores. S P Jain Global accepts the best score from the stated tests.

Candidates who do not meet the aptitude test score requirements may be considered for interview subject to the decision of the Director of Admission/Registrar.

#### EVALUATION

- The School establishes a shortlist of potential applicants based on the following:
  - Past academic performance and other achievements
  - Past work experience (if applicable)
  - English language proficiency to ensure successful participation
  - Outcomes and scores of aptitude tests

(All shortlisted applicants will be notified of their application status by the School in writing.)

As part of the final stage of applicant evaluation, all shortlisted candidates will be required to
 undertake:

- An Essay and Case Analysis Discussion Paper
- S P Jain Global "Business Creativity Test"
- A personal interview with the School's academic staff at one of the School's campuses or online. The interview is designed to assess the applicant's communication skills, analytical skills, aptitude, and subject knowledge.

(Candidates are required to pay a non-refundable evaluation fee to take part in the evaluation.) process.

Applicants are emailed an admission decision within 14 days after the evaluation interviews.

#### SCHOLARSHIPS

We offer scholarships to meritorious students. Students receiving scholarships must maintain a required GPA and abide by the School's Code of Conduct throughout the duration of study.

To view the annual Academic Calendars with details about the term and holiday breaks, please visit: <u>spjain.org/kdinf</u> For more details about the admission process, please visit: <u>spjain.org/hfjdn</u>

To learn more about the fee and other applicable charges, please visit: spjain.org/hfgdn

### **GRADUATE ATTRIBUTES**

- Knowledge of Business, Management and Emerging Technologies
- Research and Business Intelligence
- Problem-Solving and Decision-Making
- Creativity and Innovation
- Intercultural Competence/Communication
- Teamwork
- Global Citizenship/Ethics (Collaborate, Negotiate and Resolve Conflicts)

# GLOBAL IMMERSION PROJECTS

The Applied / International Business Research / Industry Projects undertaken in each of the three terms of the Global MBA and MGB programs are directed towards creating a higher degree of exposure to the real corporate environment, and enhancing the employability and corporate readiness of students.

### **Global MBA**

#### **TERM 01 Applied Research Project**

Students undertake a self-directed individual research project related to their area of specialisation. It intends to encourage the student to develop a good foundational understanding of how to conduct a research project. Students will identify suitable frameworks, business models and a research approach to address business challenges within the contemporary global/regional dynamic environment.

### **TERMS 02 & 03 Industry Projects**

Students have an opportunity to work in a stream-specific team on a real-life industry project to develop a deep understanding of the global business environment in the area of their specialisation in Term 02 and in cross-functional teams in Term 03. Under this industry interface initiative, students will be provided a business problem for which they will propose relevant recommendations. The intention of this initiative is to equip and enable students to make business decisions in an unstructured business environment, and hone their skills to think and work like a consultant.

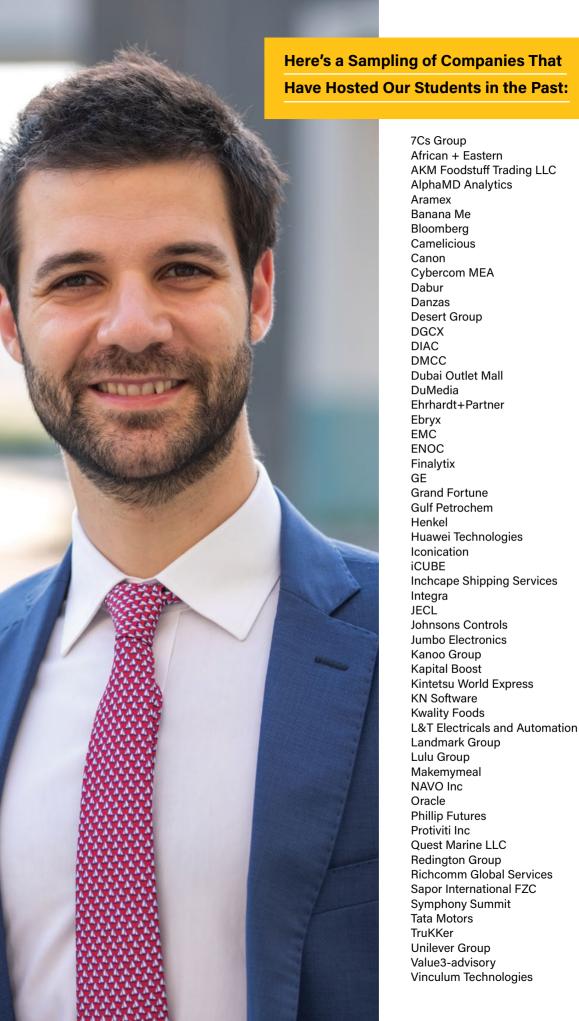

### MGB

### TERMS 01 & 02 International Business Research

Students undertake an individual research project related to their area of specialisation. It intends to give the students a parallel experience of identifying an actual business challenge faced by an industry/organisation. Further to the identification, students are expected to apply relevant research methods/techniques learnt through their coursework and propose effective solution/ recommendations in relation to the identified business problem.

### **TERM 03 Industry Project**

Students have an opportunity to work in a team on a real-life industry project and develop a deep understanding and insight of the global business environment in a disciplinary or inter-disciplinary setup. Students will be provided with a live business problem for which they will apply their knowledge of concepts and frameworks to propose appropriate solutions/recommendations to the corporate client.

# THE S P JAIN GLOBAL ADVANTAGE

We don't believe in a 'one-size-fits-all' approach. That's why, as a postgraduate, student at S P Jain Global, you will be engaged and motivated using a wide variety of teaching tools, such as our multi-city learning model that allows students to live, study and work in not one, but three global cities, or our advanced multimedia Simulation Centres that provide actual decision-making experience.

Our postgraduate classes often witness a fusion of technology, innovation and global business, resulting in an impactful and real-world learning experience. Here are some examples.

### **MULTI-CITY LEARNING MODEL**

Business schools until now have been operating in a single campus model with very little importance given to understanding the dynamic global business environment. Doing business across borders requires critical skills, each dependent on the location where they operate. After all, how you do business in China is different from how you do business in Australia or the United States. Western companies doing business in the East require appreciation and careful navigation of the cultural differences between the East and the West.

At S P Jain Global, full-time postgraduate students have the opportunity to live, study and work in three of our four international campuses in Dubai, Mumbai, Singapore and Sydney. This multi-campus experience provides unique exposure to the multinational business environments and cultures of the Middle East, Asia and the West. Each city is a regional hub, offering students many opportunities to experience diverse cultures, study international business practices, network with business executives and community leaders, conduct real-time projects, and pursue internships and full-time career opportunities. Students, in addition to the global knowledge gained, learn to be adaptable, multicultural and globally relevant to companies of the 21st century.

### STUDENT BOARDROOMS

SBRs, as they are commonly known, are student teams that meet every day before every class. Using decision-making techniques that they learn in class, students are required to critically analyse their reading material and case studies and arrive at conclusions that are submitted in the form of a report. This report is a kick-off point for classroom discussion – student teams are picked by faculty to explain their findings and decision-making process to the rest of the class. Over the duration of the program, students learn to use scientific methods, logical reasoning and analysis to address organisational problems, and develop the critical thinking and decision-making skills that are readily applied on the job.

### **BUSINESS SIMULATIONS**

Before venturing into the real world, pilots, F1 drivers and disaster response teams use advanced simulations to learn how to respond to high-intensity situations. This learning methodology has been validated by cutting-edge research in neuroscience through the "Practice School of Excellence" – the more you practice and train on a particular aspect, the more your brain becomes prepared for any eventuality.

Today, as businesses also operate under similar conditions of high risk, complexity and unpredictability, it is important for business leaders to understand the many intricacies of the business world and prepare for them in a focused manner. At S P Jain Global, computer-aided business simulations are used extensively in our state-of-the-art Simulation Centres to enable postgraduate students to practice and sharpen their real-world and decision-making skills in an innovative, risk-free environment.

# **STUDENT LIFE & GLOBAL IMMERSION ACTIVITIES**

S P Jain Global's postgraduate students are always encouraged to engage in a higher degree of interaction outside of their classroom with corporate centres and cultural hubs of the cities they live in – experience Arab-style dining, visit the Parliament House in Singapore, learn to use chopsticks, go for a desert safari, sail past Sydney's famous Opera House, interview CEOs and business leaders, learn a new language, visit the Stock Exchange in Sydney, slide down a desert sand dune, surf the waves of Bondi Beach, participate in international business competitions, and make deep and lasting connections with peers and faculty from all over the world.

# FACULTY

#### Be influenced by our community of researchers, academicians, industry experts and leaders.

Faculty forms the backbone of any educational institution. At S P Jain Global, we are particularly proud of our faculty's dedication to research, teaching and academic excellence. They come from all around the world, bringing with them a wealth of research and teaching experience. Their multinational backgrounds, academic strengths and social presence have helped us create a learning environment that is rich, stimulating and challenging.

#### **BALAKRISHNA GRANDHI**

# CAREER SERVICES

As a postgraduate student at S P Jain Global, you will benefit from the wide range of placement services and career readiness programs we provide. Whether you are looking to join a new organisation, explore a new career trajectory or start your own business, our Career Advancement Services and a powerful network of corporate contacts will help you leverage your experience and develop your potential as a world-class business leader.

#### **PROFESSIONAL READINESS PROGRAM**

We take great pride in ensuring that each student gets a good job at the end of their postgraduate program and is well-placed for a successful career. Our Professional Readiness Program, or PRP, prepares students for this comprehensively. Our work with students as part of the PRP program involves pairing them with their individual career objectives, work experience, educational background and more importantly, positioning them for growth in their careers. PRP also covers leadership and communication training, professional presentation, voice and body language, and how students present themselves in a job interview. For students who wish to change their careers, PRP offers special assistance by training and educating them on their new primary industry of interest. This "soft knowledge" helps students have successful job interviews and adapt better to a new work environment.

#### **MULTINATIONAL CAREER SERVICES OFFICES**

Our multinational Career Services Teams in Dubai, India, Singapore and Sydney play a very important role in helping students achieve their career goals. In the initial terms of the program, the teams expose students to corporate centres, business leaders and entrepreneurs through guest lectures, industry visits and projects in the three cities. In the final term of the program, the teams help students build a strong career strategy and identify suitable internships and full-time roles for them to apply to.

Amazon, India MGB (Class of 2014)

**OLIVIA MARZUKI** Channel News Asia, Singapore Global MBA (Class of 2019)

# **ALUMNI SUCCESS**

At S P Jain Global, we believe that our success is measured by the impact of our graduates in the business world. Today, our alumni are leading cross-cultural teams, growing family businesses, developing digital initiatives, incubating new ideas, working with local governments, participating in community initiatives, consulting at Fortune 500 companies, and travelling across the globe.

No matter what career they choose or where they decide to travel next, the global experiences they have had at S P Jain Global have prepared them to succeed.
