Website : [www.sandeepmarwah.com](http://www.sandeepmarwah.com)

Every immense journey starts with a single step and advances by winning different hurdles with self-confidence. AAFT have faith in setting the bar high with luminous system of holistic education. We work to build strong minds blended with passion and global notice for brilliance, thereby, turning challenges into opportunities. With students hailing from more than 120+ countries across the world, AAFT is a leader when it comes to coaching students for media education.

Our university aims excellent academic distinction through a team of dedicated faculty, motivated to keep up with global atmosphere in all spheres of influence. We put together to grab the future potential with pioneering ideas and activity based education. To congregate the high standards of film technology globally and shape the students into truly global citizens with human values, we adopt contemporary advancements in academics and technology. It prepares students under different controls like Camera and Lighting, Direction, Editing, Acting, Still Photography, Sound Recording, Art Direction, Script Writing and Script Development. The objective is to craft a learning hub that would be like no other, motivating and guiding thousands of aspirants. Our genuine endeavor, officious and skillful execution helped us to set a yardstick for technical and holistic media and arts education in India. Our core motto is to focus on the pursuit of knowledge and accepting challenges, however difficult. Our commencement is to be the leading provider of education globally with international accredited qualifications and help students realize their dreams. We welcome all with folded hands. Best of luck.
