3. Important Notes on CUET 2023 for Test Takers

- The test duration is as per the number of tests being opted by the candidates. The maximum test duration is applicable if the candidate takes all the offered Sections in the given slot.
- A candidate has an option to choose the components of the test only. However, allotment of candidates to the Shift will be based on the options exercised and technical and administrative considerations.
- Candidates should report at the Examination Center well in time i.e. 2 hours before commencement of the examination.
- All three shifts will start at a specified time. Candidates have to report for the slot/s as per the time stated in their respective Admit Card.
- A Compensatory time for PwBD Candidates of 20 minutes for each hour exam will be allowed additionally
- In Slot 1 (Morning Slot) a candidate may take upto 4 tests only (One Language from Section IA, maximum of two domain specific Subjects from Section II and One General Test from Section III)
- In Slot 2 (Afternoon Slot) a candidate can take upto 5 tests
- Combining Slot 1, Slot 2 and Slot 3 together, a candidate may take maximum 10 Tests.
